

REPORT OF THE EMERGENCY MANAGEMENT AGENCY

2021

To the Honorable Selectboard:

We continued to collaborate with local schools, colleges and other institutions in developing safety plans for critical incidents. This includes obtaining and updating Emergency Operation Plans for institutions, site visits, and training.

We received \$2,700 grant from the Massachusetts Emergency Management Agency we purchased a portable radio and charging bank. All applicable new town employees received training in the Incident Command System 100 and the National Incident Management System 700 classes. We participate in monthly meetings with the Southern Berkshire Regional Emergency Planning Committee. GBPD hosts periodic meetings of a School Emergency Management Team, which is comprised of Berkshire Hills Regional School District representatives, police/fire/ambulance and others to review and evaluate issues and policies related to school safety and response to critical incidents. The Town's Comprehensive Emergency Management Plan was reviewed and updated.
